The capital of the Netherlands is unique and always worth a visit! Visually, the center is characterized by well-preserved historic buildings and small streets and the canal belt, which is a UNESCO World Heritage Site. Particularly striking are also the many bicycles, which are probably the most popular and useful means of transportation of the Dutch. Even though Amsterdam is known far beyond its borders for its 'intoxicating' coffee shops, one should in no way reduce this city to that. Otherwise, you would miss the wonderful museums such as the van Gogh Museum or the Rijksmuseum, the beautiful city parks, but also the inviting bistros and street cafes. The culinary offer is varied: for a snack in between, the frikandel, the original Dutch hash roll can be found on almost every corner, and for a larger appetite, you can find everything from fast food to several star restaurants. The amiable and sociable atmosphere of the Dutch experiences its annual climax on Koningsdag at the end of April. Not least because of its liberal and tolerant atmosphere, Amsterdam has been considered the gay capital of Europe. In 1998, Amsterdam was the first city outside the American continent to host the Gay Games, and the annual Pride with the boat parade on the first weekend in August is still a unique spectacle. The scene life is more or less distributed on Warmoesstraat (and surroundings), Reguliersdwarsstraat/Amstel and Kerkstraat.

La capital de los Países Bajos es única y siempre merece una visita. ¡Vale la pena visitarla! Visualmente, el centro se caracteriza por sus edificios históricos bien conservados y sus callejuelas, así como por el cinturón de canales, que es Patrimonio de la Humanidad de la UNESCO. También llaman la atención las numerosas bicicletas, que son probablemente el medio de transporte más popular y útil de los holandeses. Aunque Amsterdam es conocida más allá de sus fronteras por sus "embriagadores" cafés, en ningún caso hay que reducir esta ciudad a eso. De lo contrario, se perdería los maravillosos museos como el Van Gogh o el Rijksmuseum, los hermosos parques de la ciudad, pero también los acogedores bistrós y cafés callejeros. La oferta culinaria es variada: para un tentempié entre horas, el frikandel, el original panecillo holandés de hachís, se puede encontrar en casi todas las esquinas, y para un apetito mayor, se puede encontrar desde comida rápida hasta varios restaurantes con estrellas. El ambiente amable y sociable de los holandeses vive su punto álgido anualmente en el Koningsdag, a finales de abril. No en vano, por su ambiente liberal y tolerante, Amsterdam ha sido considerada la capital gay de Europa. En 1998, Amsterdam fue la primera ciudad fuera del continente americano en acoger los Juegos Gay, y el Orgullo anual con el desfile de barcos el primer fin de semana de agosto sigue siendo un espectáculo único. La vida de la escena se distribuye más o menos en Warmoesstraat (y alrededores), Reguliersdwarsstraat/Amstel y Kerkstraat.

Die Hauptstadt der Niederlande ist einzigartig und immer wieder ein Besuch wert! Optisch geprägt wird das Zentrum von gut erhaltenen historischen Gebäuden und kleinen Gassen sowie dem Grachtengürtel, welcher zum Weltkulturerbe der UNESCO gehört. Besonders auffällig sind auch die vielen Fahrräder, welche das wohl beliebteste und sinnvollste Fortbewegungsmittel der Niederländer sind. Auch wenn Amsterdam weit über die Grenzen hinaus für seine "berauschenden" Coffeeshops bekannt ist, darf man auf keinen Fall diese Stadt darauf reduzieren. Ansonsten würde man die herrlichen Museen wie beispielsweise das van Gogh Museum oder das Rijksmuseum, die wunderschönen Stadtparks aber auch die einladenden Bistros und Strassencafés verpassen. Vielfältig hierbei ist das kulinarische Angebot: Für den Snack zwischendurch ist die Frikandel, das ur-holländische Haschee Röllchen fast an jeder Ecke zu ergattern und für den größeren Appetit findet man vom Fast Food bis hin zu mehreren Sternrestaurants einfach alles. Die liebenswerte und gesellige Atmosphäre der Niederländer erlebt ihren jährlichen Höhepunkt am Koningsdag Ende April. Nicht zuletzt wegen ihrer liberalen und toleranten Atmosphäre galt Amsterdam als die schwule Hauptstadt Europas. Als erste Stadt außerhalb des amerikanischen Kontinents war Amsterdam 1998 Austragungsort der Gay Games und nach wie vor ist der alljährliche Pride mit der Bootsparade am ersten Augustwochenende ein einzigartiges Spektakel. Das Szeneleben ist mehr oder weniger verteilt auf Warmoesstraat (und Umgebung), Reguliersdwarsstraat/Amstel und Kerkstraat.

La capitale des Pays-Bas est unique et vaut toujours la peine d'être visitée ! Elle vaut la peine d'être visitée ! Visuellement, le centre est caractérisé par des bâtiments historiques bien préservés, des petites rues et la ceinture de canaux, qui est un site du patrimoine mondial de l'UNESCO. Les nombreuses bicyclettes, qui sont probablement le moyen de transport le plus populaire et le plus utile des Néerlandais, sont également particulièrement frappantes. Même si Amsterdam est connue bien au-delà de ses frontières pour ses cafés "enivrant", il ne faut en aucun cas réduire cette ville à cela. Sinon, vous passeriez à côté des merveilleux musées tels que le musée van Gogh ou le Rijksmuseum, des magnifiques parcs de la ville, mais aussi des bistrôs et des cafés de rue accueillants. L'offre culinaire est variée : pour un en-cas intermédiaire, le frikandel, le petit pain hollandais original, se trouve à presque tous les coins de rue, et pour un plus gros appétit, vous trouverez tout, du fast-food au restaurant plusieurs étoiles. L'atmosphère aimable et sociable des Néerlandais connaît son apogée annuelle lors du Koningsdag, fin avril. En raison notamment de son atmosphère libérale et tolérante, Amsterdam a été considérée comme la capitale gay de l'Europe. En 1998, Amsterdam a été la première ville en dehors du continent américain à accueillir les Gay Games, et la Pride annuelle avec la parade de bateaux le premier week-end d'août est toujours un spectacle unique. La vie de la scène est plus ou moins répartie sur la Warmoesstraat (et ses environs), la Reguliersdwarsstraat/Amstel et la Kerkstraat.

Advertorial

 Amsterdam's well-known LGBTQIA+ street, the Reguliersdwarsstraat, features a new fashion store: The House of Riegillio – a place by queers, for queers.

After five successful years, MR. Riegillio, a fetish and street fashion brand, opened its first flagship store. As the only Queer store on the street, you can find gear, underwear and accessories. From a broad collection of fetish gear to casual streetwear, the House of Riegillio features brands such as MR. Riegillio, Alpha Industries, Barcode, Adidas and many others.

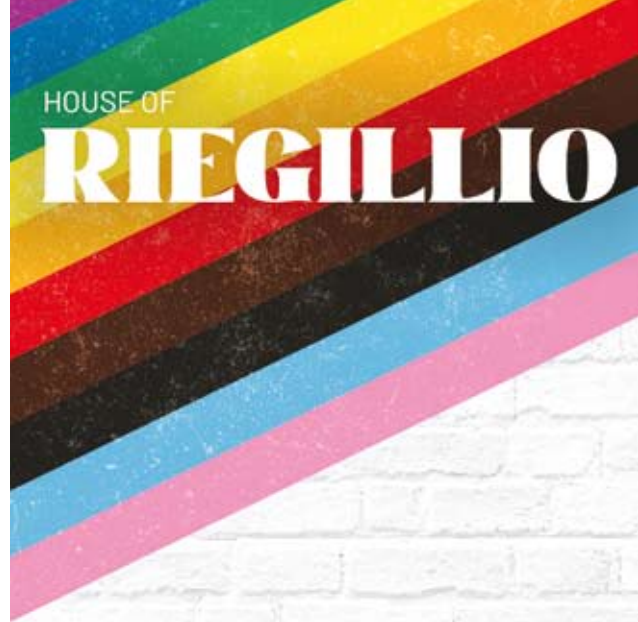

MR. Riegillio, the mastermind of the House of Riegillio, leans heavily toward the fetish world for inspiration and innovation. Collections of leather, latex and shiny PVC set the tone for the House of Riegillio while classic and contemporary leather gear mixes happily with fluorescent palettes and sequins.

The House of Riegillio's culture is built on a foundation of acceptance and inclusivity for all people from all communities and gender identities. Together we are better, like the colors of a rainbow. Our commitment to the many communities that make up our Riegillio family, makes us proud year after year.

 Gays & Gadgets opened in 2004 to bring the Ultimate Gay Shopping Experience to life in the center of Amsterdam. With a diverse collection of anything that fits the gay lifestyle as unique gifts, gadgets, books and accessories from the local community and ornaments by December Diamonds. In addition to that there is a permanent Pride corner, full of amazing rainbow merchandise and, a broad collection of different community Pride Flags is worth a visit alone.

Over the years the store has grown from a gift shop to a store that also has a varied collection of menswear, underwear, sports- & party wear, featuring brands like TOF Paris, CODE22, Locker Gear, Gigo and Alexander Cobb. Whether you want to look amazing at a festival or get down and 'dirty' in the dark room, they'll get you covered!

If you're looking for toys or something more kinky, head downstairs to Underground Fetish. Not only is this basement filled with some of the best toys you can think of, with brands such as Oxballs, Perfect Fit, Brutus, Crackstuffers & Sport Fucker, they have everything you'd want to stuff up your butt or put around your cock and more. Underground Fetish is also the official partner shop of Mr. S Leather presenting a wide variety of their fetish gear: From leather and BDSM accessories to sportswear collections, the full range of neoprene gear and of course the ultimate puppy gear collection. If you don't find a Mr. S Leather product in the store Underground Fetish will promptly order it for you on request!

Besides all Gays & Gadgets has the staples such as lubes, condoms, douches and other accessories.

Throughout the years Gays & Gadgets actively supports many community events and organizations and they are proudly present in the heart of the community. With the **GayTic** information wall in the back of the store, you can also find flyers and magazines of parties, organizations and other community related information for you to browse through
