## BORN IN BARCELONA

Advertorial

 Two of the world's hottest gay clothing brands were founded in Barcelona - in 2006 & 2009 - bringing seriously-sexy fashion to on-trend gay men around the world. ·ES-Collection and ADDICTED have become essentials in every fashion-forward wardrobe. With a multitude of ranges, designs, colours, styles & new sub-brands: this creative fashion house keeps growing - and keeps bringing customers the sexiest, urban clothing & party gear available.

### ·ES-COLLECTION

This upmarket & exclusive brand, created with exquisite fabrics, textiles, innovative detailing and design elements, has surpassed all expectations by becoming a massive bestseller worldwide. The brand has been at the forefront of sustainability by being one of the first to create a huge range of recycled garments. Items are made from recycled plastic threads from plastic bottles retrieved from the Mediterranean Sea, or from recycled cotton threads and other recycled materials. It's fashion with a conscience, style with a purpose. The ·ES-Collection ranges include UnderWear, CasualWear, SwimWear, SexyWear, SportsWear, ShapeWear, as well as Accessories and Cosmetics.

### ADDICTED (AD FETISH & AD PARTY)

Sexiness called. ADDICTED answered. This super-sexy brand with attitude was launched in 2009 and has created a virtual cult-following around the world by loyal customers who love the brand, it's sassiness and of course, it's designs. ADDICTED has a treasure-trove of classic favourites, season highlights and go-to-outfits for parties. Through ADDICTED & ·ES-Collection, the company's Research, Development & Innovation team has created many industry firsts: garment technology like PushUp, PackUp, KanGo, Molded, RingUp, U-Shape and many more that were designed to create confidence when wearing the items. Customers can choose from a wide range of products that give volume, boost, or comfort where they need it most. No-one understands the male body more than these brands!

ADDICTED has also created additional naughty sub-brands: AD Fetish & AD Party - specifically created for the party people in all of us. There is now a massive selection of kinkster clothing & accessories through the AD Fetish brand - allowing you to explore all your inner desires. While the AD Party range is exactly that: outfits for every type of party, circuit or Pride you may be attending.

### TWO STORES IN BARCELONA

12 years ago, the company's flag-ship store was opened in Consell de Cent 218 in Eixample, Barcelona. Stores have followed in Madrid, Valencia, Sitges, Alicante, Ibiza, Torremolinos and many franchise stores and distributor online shops have opened around the world. This original-location store now houses all the AD Fetish and AD Party ranges from ADDICTED.

While across the road, a brand-new Experience Store was recently opened at Consell de Cent 239 - which focuses on ·ES-Collection and ADDICTED. So, while you're in Barcelona, come visit the two stores directly opposite each for a shopping experience like no other.

 A new concept of private club for the the LGTBQ+ community: Imperial is a social club and a very innovative space in the Eixample for everyone where you can express yourself through art, culture and free thought. And it was about time that LGTBQ+ artists in Barcelona had a space of freedom like this operated by people from the community. At Imperial they have proposed to give all their support to diverse artists and the possibility for them to show their talent.

There is much more to come. Because from that collective and diverse approach that Imperial is committed to, they want it to be a reflection of what Barcelona is: diverse, welcoming and inclusive. And at the same time, sexy, fun and cosmopolitan. The time has finally come to realize all the ideas that they have wanted to pour into such a special club, which also represents their staff.

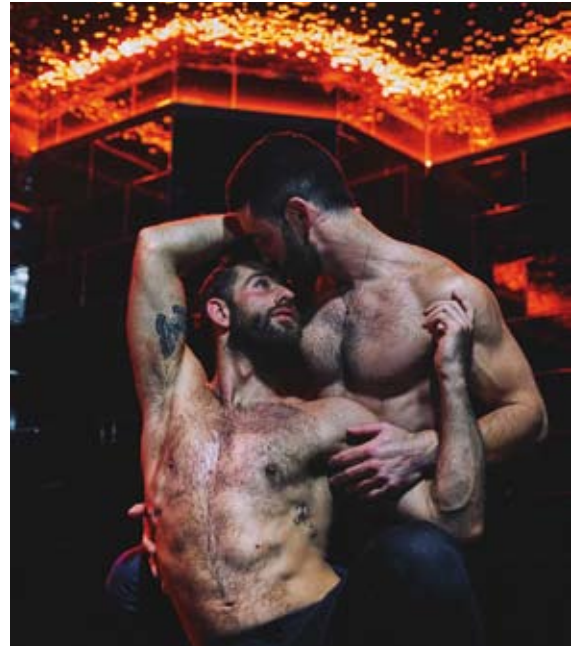

Imperial is a phenomenon of both day and night life in the city of Barcelona. It promises to be an immersive, innovative and exciting adventure that will mark a before and after in one of the most emblematic neighborhoods of LGTBQ+ culture worldwide, the Gaixample. The arrival of this new proposal is going to enrich even more the cultural and social life in it, without any doubt.

With an impeccable design by Herrera-Jaspe Design and Joseph Danès, this elegant club has been created taking into account the glam movement as inspiration, and it will bring together people and creators of the most diverse, demanding, extroverted and, why not, also posh.

In order to make every wish come true in Imperial, every detail is taken care of so that they can enjoy themselves throughout its more than 600 square meters, which are distributed on two floors. The layout of the room is designed so that from any area you can see everything that surrounds the visitor, creating a positive atmosphere and facilitating the connection between members.

In addition, the mystery of the second floor will captivate everyone who visits it. Imagine being able to lose yourself at any time in an endless cruising labyrinth where you will be in no hurry to find your way out... This is another of the many attractions that Imperial will surprise you with when you discover it.

You will not miss the best music of the moment or your quietest area if you prefer to relax on their comfortable sofas watching all kinds of concerts and performances on a modern screen. Or the best live shows from its stage while enjoying a cocktail with friends.

Imperial is a private club so, please register your membership online before visiting.
